Scene 1:

Vasey: ON THIS SEASON OF CLASH TO BE CHAMPION 2! We Brought back 11 of our favorite players from last season and put them in the city! We added on an additional 9 newbies to make the season more fresh! (All the other recaps put together)

Intro

Scene 2:

It's 3 in the morning in the hotel. Cut to Fireball sitting in the hotel drinking Coffee. He takes a sip as he looks out at the empty area.

Fireball: *confession* ...Huh. Who would've thought I made the final 2.... Considering my reputation last season, this is definitely a shock. Let's just hope I can keep that energy up for today.

He takes another sip. Statuette walks down the stairs and sees Fireball sitting on the couch.

Statuette: Oh. Didn't realize anyone else would be up. Sorry, I can go-

Fireball: Nono it's alright. Please be my guest.

Statuette comes and sits besides Fireball.

Statuette: Couldn't sleep?

Fireball: Heh... nope... you?

Statuette: Nope... I was laying in bed for the last few hours.

Fireball: I've been here since the elimination. Just thinking about how this season's been.

Statuette: Seeing if you've played a good enough game?

Fireball: Yeah, exactly.

Statuette: Well. Do you think you did?

Fireball: I obviously did things I wasn't proud of. But I think everyone has.

Statuette: Not wrong there, haha! *she turns to Fireball, who looks at her weirdly* ...Sorry. I'd just hate for this all to be for nothing, you know? Playing this hard, making it to the final 2, voting off people you grew close to... all for it to be a waste within the span of 24 hours.

Fireball: Yeah, I get what you mean.

The 2 are looking outside and see the city with all bright lights.

Fireball: Hey... You did good, Statuette.

Statuette: ...Thank you. So did you.

We fade out in the night sky.

Scene 3:

We fade back into the outside of the hotel. There is a huge banner up in front of it and Vasey appears in front.

Vasey: FINALE DAY, FINALE DAY! WOOOH!!! I HOPE EVERYONE IS READY FOR THE BIG DAY! ARE YOU TWO READY?? You've had the whole morning and most of the afternoon to get ready so I HOPE you're ready.*

Statuette and Fireball look at her with little enthusiasm. When she looks at them, Statuette flashes an awkward thumbs up.

Vasey: ...lame. Now, I suppose this is a long time coming. IT'S NOW TIME TO MEET EVERYONE YOU GUYS HAVE VOTED OFF!

Fireball: ...Oh god, it is a jury vote.

Statuette: dammit.....

Vasey: Introducing!

Vasey: Speaker!

Statuette has a wave of guilt come over her..

Vasey: Boulder!

Vasey: Pineapple!

Vasey: Apple Fritter!

Vasey: Princess Hat!

Vasey: Sleep Mask!

Vasey: Chip Stack!

Fireball smirks.

Vasey: Tape Measure!

Vasey: Corky!

Vasey: Jester Hat!

Vasey: Incense!

Statuette smiles when she sees Incense. Incense waves at her.

Vasey: Yearbook!

Vasey: Pound!

Fireball's eyes soften and he feels relaxed seeing Pound and knowing he's okay. Pound smiles at him and he smiles back.

Pound: *Confessional* It's good to be back! I mean, who would've thought Fireball out of all people made the final 2! Obviously no complaints here, though. He's obviously the guy I'M rooting for!

Vasey: Glitchy!

Statuette and Fireball exchange a quick glance.

Vasey: Mirror!

Fireball smiles when he sees Mirror.

Vasey: Beer Keg!

Statuette rolls her eyes.

Vasey: Service Bell!

Statuette smirks.

Vasey: AND CARAMEL APPLE! Wait, where did he go? He was just here-

*Caramel Apple bursts out of the hotel's doors.

Caramel Apple: YEAHHHH GUESS WHO'S HERE!!

Vasey: Wha- how long were you in there??

Caramel Apple: I snuck in this morning! Wanted to make my grand entrance.

Fireball: Can confirm. I saw him get in through the window. I honestly thought he was a rat.

Cut to a short scene of Fireball boiling his coffee as Caramel Apple struggles to get in. He falls onto the floor and Fireball flinches.

Caramel Apple: AGH-!

Cut to him staring at everyone innocently. Vasey looks away.

Vasey: Right...

Caramel Apple: *Confessional* WOOP WOOP! THE FAN FAVORITE IS BACK!!! I can't root for just one of them so I'm on team StatueBall! WOOOH! GO STATUEBALL!!!

Scene 4:

Vasey: Welcome back everyone! Aren't you all glad to be here once again???

Speaker: No. Not really.

Service Bell: Makes sense considering you were the first eliminated.

Speaker: And WHO was THISSSS close to making the finale??? HM?

Service Bell: Oh, screw off!

Pineapple: Hahahahaha, it's soooo awesome seeing everyone again!!! Beer keg and Glitchy! My 2 best dudes!!! How's it goiiinnnnn!

Beer Keg and Glitchy actively avoid looking at each other.

Pineapple: Oh shoot... Did something happen between the both of you??? Bummer...

Glitchy: **bitterly** I don't wanna get into it.

Beer Keg: Ditto.

Glitchy: **Confessional** YES, OF COURSE I'M STILL MAD AT BEER KEG. HELLO?? HE'S THE REASON I'M NOT IN THE FINAL 2 RIGHT NOW!! **Deep breaths** Whatever, whatever.... It doesn't matter anymore..

Caramel Apple Skips over to Apple Fritter and Chip Stack

Caramel Apple: BUDDIES!!

Apple Fritter: Cuz!!!

The three do a little group hug because they CAN.

Caramel Apple: I'm so happy to see you guys again!!!

Chip Stack: Same here, man.

Caramel Apple: WAIT, YOU GOT OUT OF JAIL!??? WHAAAAT! THAT'S AWESOME!!!

Chip Stack: Yeah.. they put me on probation so I was able to come and watch the finale! **Point to a recommended character*

in the background* Too bad we missed out on so much bonding time.

Caramel Apple: Pffft, who cares! All 3 of us are back together again! That's all that matters!

Apple Fritter: *Confessional* Of course I know about the Chip Stack vote. But I also don't care anymore! We met up and talked it out a few hours ago. It was a complete misunderstanding and I'm ready to move past it!

Scene 5:

*Shows Princess Hat standing alone. She looks at Beer Keg quickly before turning away, but then sees Tape Measure sitting alone. *

She sees Tape Measure

Princess Hat: *Confessional* I wasn't a fan of how things ended with us before I left. I really wanna talk to her and apologize...

Princess Hat walks over to Tape Measure, who is not pleased at her presence.

Princess Hat: Hey! So...

Tape Measure: Don't. ...I don't think I'm ready to talk yet.

Princess Hat: ...Right.

Tape Measure walks away. Princess Hat looks sad, but Pound walks up to her and puts his hand reassuringly on her back.

Pound: Hey. it'll be alright. You can talk to her another time. And... I'm sorry for everything that went down.

Princess Hat: Thanks. I forgive you.

Princess Hat hugs Pound, who returns the hug. On the other hand, Incense sits awkwardly next to a sleeping Sleep Mask. She pokes her to get her to wake up.

Incense Notices Sleep Mask

Sleep Mask: Huh... wha? Oh, you.

Incense: Sleep Mask, can we talk?

Sleep Mask: If this is about what I think it is...Listen. After the time apart from one another. I realized you had no bad intentions. Although what you did wasn't cool, I don't really care anymore. We're chill.

Incense: ... Thank you :)

Scene 6:

Mirror and Yearbook are talking in a corner. Boulder eventually joins in. Fireball and Pound have their moment because we need to feed the shippers and make good on that promise.

Mirror and Yearbook are talking, sitting close to each other and enjoying each other's company.

Yearbook: Wait, they really gave you the new flower?

Mirror: Yep! The florist recognized me, she said her daughter was looking forward to this show. Sooo she gave me a free flower as a gift!

Yearbook: That's so sweet! I wonder how that girl's gonna react when she finds out her mom's efforts made it on to the show. It's a very pretty flower, too!

Mirror: Awww... well, it's not as pretty as you.

Yearbook: Wh-! Don't say things like that so suddenly, it's embarrassing...

Mirror: Hehe. I'm just teasing you, Yearbook.

Boulder: It is a really nice flower...

Pan up to Boulder sitting next to them. He flinches and turns away once he's been noticed.

Boulder: Eek! Sorry, sorry... didn't mean to interrupt. Just ignore me!

Mirror: No, it's okay! I'm glad someone else appreciates the beauty of nature as much as we do. You have good taste!

Boulder: ...Oh. Thank you.

Yearbook: Hey, we were on the same team, weren't we? We never really talked much... but then again, we were both shy, and you got eliminated early, so-

Boulder: Yeah. Um...sorry, I'm not good at this whole talking thing.

Mirror: You're all good! Hey, if you don't wanna talk, I can show you some photos I took on Yearbook's camera instead...

Yearbook: You took photos?

Mirror: Yeah! I'm not the best photographer, but I felt inspired by your creativity, so I went and did some sightseeing before I had to come back. Sorry that I used your camera...

Yearbook: *excited* You don't need to apologize! Here, pass it over and we can look through them all! I'd love to see!!

Boulder: I'd like to see too, if that's okay...

Yearbook: Sure! Move over a little. Alright, what did you take...

Mirror, Yearbook and Boulder start to look through the camera's photos. Fireball watches from a distance, happy. Suddenly, he is tapped on the shoulder. When he turns around, Pound is there smiling.

Pound: Surprise!

Fireball: POUND!

Fireball hugs Pound, happy to see him. When they let go, they are both smiling.

Fireball: How've you been? Anything interesting happen?

Pound: I could ask the same to you! Final 2, huh? You really made it. I'm proud of you.

Fireball: Honestly, I don't even know how I managed to get here! I feel like if I get any more stressed I might set this place ablaze.

Pound: You got this! You've already gone so far, you can't back down now. I'm rooting for you!

Fireball: Yeah, I KNOW that. It's just a lot.

Pound: Hey. No matter what happens, I'm still gonna be here. Keep your head high for me, okay?

Fireball: Thanks, I appreciate it. I've got to go, see you when it's over!

Fireball walks away at first, but soon turns back.

Fireball: ...Oh, and one more thing.

Fireball gives Pound a quick kiss on the cheek before running off. Pound blushes, but then smiles.

Scene 7:

Vasey: ALRIGHT, IS EVERYONE READY FOR THE FINALE??

Mirror, Pound, Corky, Jester Hat, Princess Hat, Yearbook, Chip Stack, Boulder, Apple Fritter, Pineapple and Caramel Apple cheer. Have their VAs record a sound of them cheering for this.

Vasey: Before we begin, I would like each of the finalists to sit in the bleachers of who they want to root for, Fireball or Statuette. Please begin!

Caramel Apple: I CAN'T DECIDEEEEEE!!!!!!

Vasey: C'mon, Caramel Apple. You have to pick a side..

Caramel Apple: ...this sucks...

Fireball: Don't worry, Caramel Apple. Statuette and I won't take it to heart! We both know you care for both of us!

Statuette: Yeah! It's ok!

Caramel Apple: *Sighs* Fireball...

Caramel Apple sits on Fireball's side. Fireball smiles while Statuette frowns, disappointed.

Vasey: Perfect! Now that we have everyone on each side, it's time to announce what the finale is!

Service Bell: Please be jury, please be jury, please be jury.....

Vasey: IT'S A FINAL CHALLENGE!

Fireball: Oh, thank god.

Statuette: *Phew*

Service Bell: OH, COME ON!

Tape Measure: It was kinda obvious...

Vasey: Let's explain how this challenge will work! The 2 of you will be doing a bunch of the challenges from this season in a random order! The first person to finish all the challenges and get back to me first will win CLASH 2 BE CHAMPION! Each of you

Vasey: Each of you will get 2 helpers. Which will Be RANDOMIZED!!!

Statuette: oh no....

Vasey pulls out her phone.

Apple Fritter: Wait, are you using your phone-?

Vasey: YES. Don't ask.

Incense: I admit, it seems rather unprofessional for you...

Vasey: SHUT. Shut up. Anyways, Fireball's helpers are...

Fireball: C'mon.. C'mon.. C'mon...

Vasey: JESTER HAT AND CORKY!

Fireball: Not again...

Jester Hat: Yes!! Corkster, let's go and help our third friendo!!!

Corky: YAYYY, WE GET TO HELP FIREBALL!

Jester Hat scoops Corky up and the two of them teleport to Fireball.

Corky: Woah... so that's how it feels to teleport? :0

Jester Hat: Sure does! It's kind of weird, but you get used to it.

Fireball: ...great. This is just great.

Jester Hat and Corky stand next to Fireball.

Vasey: And Statuette's helpers are....

Statuette: Please.....

Vasey: SPEAKER AND GLITCHY!

Speaker: *sarcastic* Oh, how lucky.

Glitchy: Feeling's mutual, pal.

Statuette: *Confessional* Of course. Give me two objects who dislike each other and will probably argue all the time. This is going to be sooo much fun.

Speaker and Glitchy Stand next to Statuette

Statuette: Hey-

Speaker: Save it.

Statuette looks disappointed

Scene 8:

Vasey: OK! WE HAVE EVERYONE IN POSITION!

Shows Statuettes Team

Shows Fireballs Team

Vasey: EVERYONE KNOWS WHAT TO DO?

Fireball: Wait a second we don't even know what the first challenge is-

Vasey: GO GO GO!

Statuette, Glitchy and Speaker Run Off.

Jester Hat: Let's Hop to it team-maties!

Corky jumps on Jester Hat's Back and they run off. Fireball follows behind and the peanut gallery cheers.

Cuts to the peanut gallery cheering. Pineapple leans over to Pound. Have them both sitting on the edge of their bleachers for this.

Pineapple: Psst. Who do you think's gonna win???

Pound: ...I'm on Fireball's team. So I'd hope Fireball wins.

Pineapple: Oh right. Makes sense.

Princess Hat and Pound look at each other in confusion.

Scene 9:

Fireball, Corky and Jester Hat are running together. Jester Hat points to a stand in the middle of the path.

Jester Hat: Ohoho! We're here!

The three stop and look at a Door. Jester Hat strolls forward gleefully.

Jester Hat: TIME TO OPEN!!!!

Fireball: WAIT, JESTER HAT, DON'T-

Jester Hat opens the door and all 3 of them teleport

Fireball: ... what the... where are we?

Corky: OOOOH! It's the pit challenge!! I loved this challenge, didn't you, Jester Hat?

Jester Hat: I sure did!!

Fireball: Don't get distracted, we need to teleport before Glitchy-

Glitchy, Speaker and Statuette get teleported in

Statuette: OW! What the-

Fireball: Oh, speak of the devil.

Glitchy: Welp let's not waste any time. Grab on.

Statuette grabs onto Glitchy while Speaker grabs onto Statuette. They fly out of the pit.

Jester Hat: Oh, my! They've proceeded! What are we going to-

Fireball: STOP TALKING AND TELEPORT US OUT OF HERE!!

Jester Hat: Okay, okay! You don't need to be so angry...

Jester Hat holds onto Fireball and Corky.

Jester: ABRACADABRA~!

They teleport out of the pit. Fireball immediately starts running as Corky and Jester Hat catch up to him.

Scene 10:

Cuts to Statuette's team

Statuette: Phew. That was easy. Now... just... OH! I see the next challenge!

Shows the memory challenge from episode 9

Glitchy: Ugh, *this* challenge.

Speaker: Yeah, I heard about this one. That whole situation with Tape Measure must've sucked, huh?

Glitchy: Shut up. I wouldn't wanna go there if I were you.

Speaker: Just saying...

Glitchy: And I'M saying shut up.

Statuette: Can you guys quit it?!

Statuette: *Confessional* God. It's like I'm working with CHILDREN! They really need to get it together if they're going to be my assistants...

Statuette looks at the shapes, the items disappear and then certain areas of the grid light up.

Statuette: Oh god.. Uh.. Square.. Square.. Circle... Tri... angle..??

Incorrect Sound effect.

Statuette: Fun. Maybe this would be easier if I had teammates who WEREN'T BUSY HOLDING A GRUDGE AGAINST EACH OTHER.

Glitchy: Sorry, Statuette, kinda busy with someone.

Speaker: I'll help you in a bit, just give me a second.

Statuette:

Scene 11:

Fireball and friends make it to the memorizing challenge

Fireball: The memorizing challenge...?

Jester Hat: DON'T WORRY, FIREBALL! THIS WILL BE EASY FOR A SKILLED MIND LIKE YOU!

Corky: Yeah! Think positive!!!!

Fireball: Let's just do this and get it over with.

Fireball looks at the shapes and they disappear. The grid lights up.

Fireball: .. Square.. Circle. Triangle. Pentagon?

Correct Sound Effect plays

Fireball: YES!

Corky: YAYYY LETS GO TEAMIE!!

Fireball and his helpers leave, leaving a frustrated Statuette behind.

Statuette: FIRST TRY? REALLY??

Statuette looks at shapes and the shapes disappear. The grid lights up.

Statuette: Hexagon, Triangle, Triangle, Square.

Correct Sound Effect

Statuette: Okay! Let's go, guys!!

Scene 12:

Fireball then sees the next sign, detailing that Fireball needs to look for the statue.

Fireball: This should be easy.

Jester Hat: Good! We'll be cheering from the sidelines!!

Fireball: What? Why aren't you going to help?!

Jester Hat: Look closer at the sign.

Fireball squints. In really small writing, "Helpers are not allowed for this challenge."

Fireball: Ugh... whatever, I don't have time for this.

Corky: Don't waste time Fireball! Go, go, go!!

Jester Hat: What she said!!

Fireball runs into the pit. Statuette and her helpers arrive.

Statuette: Look for the statue? Oh awesome! I won this challenge.

Glitchy: Because of Incense.

Statuette: Because of- you know what, I'm tired of this. You two are being WAYYY too negative here. What's your deal?!

Glitchy: Speaker talks too much crap for a first boot!

Speaker: Oh, please. They're a manipulative freak who knows how bad their actions are but does it anyway!

Statuette: SHUT UP! You know what, screw you both. The challenge says that helpers aren't allowed, so I'm going in. You two better resolve your issues.

Statuette runs in. Speaker and Glitchy glare at each other.

Scene 13:

Cuts to Jester Hat and Corky playing patty-cake. Speaker and Glitchy exchange looks.

Speaker: So... are we just gonna wait here with those two?

Glitchy: I guess. I don't know, this whole thing is a mess.

Speaker: You can say that again.

The two stand around awkwardly. After a moment, Glitchy sighs.

Glitchy: Speaker, I'd like to propose something.

Speaker: Oh god. What now?

Glitchy: Look. I hate you and you hate me. That's obvious. But if the two of us work together, not only will we get on Statuette's good side, and keep in mind, she's RICH, but we'll also bring down Fireball.

Speaker: You're STILL upset about Fireball?

Glitchy: Yes, I'm still upset about Fireball! Him and his boyfriend are the main reason my whole game fell apart! Plus, you used to be close with Statuette, right? Maybe if you're good to her, you two could actually become friends again. Isn't that important to you?

Glitchy holds out their hand for a truce. Speaker debates on it for a second, but eventually sighs and shakes Glitchy's hand.

Speaker: Fine. Whatever, we can team up. But this does NOT make us friends.

Glitchy: Of course we're not friends. We've just got to wait for the moment to strike, and we can bring Statuette to victory. I can't wait to see the look on Fireball's face when we bring him down!

Scene 14:

Cuts to Fireball inside the room looking for the statue

Fireball: Come on, come on... statue, where are you...

Statuette: I don't think that's gonna work.

Fireball: Worth a shot.

Statuette: So, how's working with tweedle dumb and tweedle dumber?

Fireball: So great! My absolute favorite people ever! *Obviously sarcasm* Jokes aside, they're fine. What about you?

Statuette: They're making my blood boil.

Fireball: How come?

Statuette: I don't know! They have history from last season. I think it was just mainly one-sided hatred from Speaker...? I

thought Speaker was my best friend, but I barely got to spend time with him and now he and Glitchy are arguing! He's probably upset that I got into the final 2, but like... I wish he realized how much this means to me.

Fireball: Ugh, that's awful. I'm sorry.

Statuette: It's fine. Sorry.. Didn't mean to bring down the mood. Just gotta cheer up and ignore it! WOO! FINALE DAY! YAY!!!!!! And then the show's gonna be over.

Fireball: Do you want it to end..?

Statuette: What?

Fireball: The show. I mean. Do you want it to finally be over?

Statuette: Um, yeah? Of course I do. Then I can finally go home! I won't have to worry about any of this anymore.

Fireball Looks at Statuette who's looking away from him, she seems upset, like she does have some mixed feelings about wanting to go back home.

Fireball: Hey. Don't focus on that. Focus on this. There's a million dollars at stake and I'm sure as hell not gonna let my emotions get in the way of that. Let's play like any other challenge!

Statuette: You're right. Thanks.

Fireball: No problem. But...

Fireball grabs the Statue

Fireball: You might wanna find another statue. Hahaa!

*Fireball runs out of the room.

Statuette: That little-!

Statuette continues looking in the room for the statue

Scene 15:

Fireball makes it out of the room

Fireball: C'MON, DUDS LETS GO!

Jester Hat: Oop! We're needed! Let's go Corkster!

The 2 follow

Speaker and Glitchy look at this

Glitchy: What's taking her so long??

Statuette makes it out of the room

Statuette: I'M HERE SORRY! LET'S GO!

Glitchy: Wait! Statuette, Speaker, grab my hands.

Statuette and Speaker exchange confused looks, but do it anyway. Glitchy jumps up and starts flying.

Glitchy: Let's go!

The three zoom off. Cut to the rest of the contestants. Caramel Apple has a large bag of popcorn for some reason.

Caramel Apple: OH BOY OH BOY IT'S GETTING SO INTENSE
IDK WHOS GONNA WIN!

Mirror: You have a point. It's getting really close... Wait, where you'd get that.

Caramel Apple: I don't know. Want some?

Pineapple: YO! Stick lady. Can you see into the future?

Incense: .. what?

Pineapple: Ya know! The future! The thing that hasn't happened yet but will happen eventually?

Incense: Why would you think I can see into the future...?

Pineapple: Iunno. You seem all psychic or whatever... It'd be pretty rad!

Service Bell: Again. I say. Idiots.

Scene 16:

Glitchy flies up Fireball with speaker and statuette holding onto them

Fireball: WHAT THE HECK! DARE I SAY. CHEATING!!

Jester Hat: well 2 Can play that way!

Corky: YAY! We're Gonna teleport again!!!

The 3 stop and teleport to the final building

Fireball: ...Wait, if you could have done that the entire time, why didn't you-

Jester Hat: They were playing fair before! It'd be *boring* for the audience if we had the upper hand from the beginning. No longer the underdogs~!

Corky: Enough talk about doggies! Look!! IT'S THE BUILDING WE CLIMBED IN EPISODE 5!! I LOVED THIS CHALLENGE!!

Jester Hat: So did I, Corky Worky!!! Gosh, we have so much in common!!

Jester Hat pats Corky on the head and she smiles. Fireball watches, frustrated.

Fireball: (Confessional) My worst nightmare... coming back..

Glitchy and gang arrive at the building

Glitchy: Oh, you're gonna play like that too, huh? Well then, Fireball... We can't have you winning this.

Glitchy pushes Corky and Jester Hat

Corky: OW!

As Glitchy and Speaker distract the others, Statuette runs up the building.

Fireball: Hey! Glitchy, get out of my way. Don't hurt them!

Glitchy: Make me.

The 2 start fighting

Fireball Blocking Glitchy's punches

Glitchy swinging on him

Fireball Lands a good hit on Glitchy

Fireball looks down at his hand and sees his hand start to glitch

Fireball: What the-

Glitchy: Poor Mistake.

Glitchy punches Fireball and knocks him down

Jester Hat bounces back up from the ground

Jester Hat: So it's a fight then AYE??? Well I'll show you a fight.

Jester Hat Grabs Corky

Corky: What are you doing?

Jester Hat: ... ABRA... CADABRA!!!

Jester Hat turns Corky into a chain-chomp type creature with big teeth.

Jester Hat: Go get 'em, girl.

Corky: Woah... CHOMP CHOMP CHOMP!

Speaker: WHAT THE HELL IS THAT THING?

Glitchy: I DON'T KNOW, BUT I DON'T THINK YOU WANT TO FIND OUT. GET AWAY FROM IT.

Corky runs forward and bites Speaker on the arm.

Speaker: OW OW GET IT OFF GET IT OFF!

Jester Hat: Fireball! RUN!

Fireball gets up and starts running to catch up with Statuette. Glitchy notices and turns towards Jester Hat.

Glitchy: You're REALLY starting to piss me off now, bud.

Jester Hat: You don't scare me! C'mon, if it's a fight you want, it's a fight you're gonna GET!

The two charge towards each other as Speaker and Corky watch. She turns to him, glares her new sharp teeth and then tackles him.

Speaker: Hey, wait, WAIT-!

Scene 17:

Fireball Is seen Running up the stairs. Statuette is already at the top, a bit nervous about going down.

Statuette: OK, deep breaths... this has to be perfect.

Fireball makes it to the top

Fireball: Holy crap. I do NOT remember there being that many stairs... *Starts breathing heavily*

Statuette: *confused* How did you catch up so fast?

Fireball: I'm a runner. *still breathing heavily*

Statuette: ...Whatever! That doesn't matter! See you on the bottom- WOAH!

*Statuette walks forward and then starts ziplining down.
Fireball notices and gets on the zipline.*

Fireball: Hey! You are not losing me so easily!

He zips down, and the two are eventually neck in neck. Fireball eventually passes statuette.

Statuette: WHAT??? HOW!

Fireball: The power of being lighter. See ya at the finish!

Statuette starts to zip faster

They both get down.

Scene 18:

Although Fireball seems to be in the lead, Statuette notices a paintball gun on the ground and uses it to shoot Fireball in the leg. Although he gets up fast, it lets Statuette run forward. Fireball runs a bit forward, before noticing an ice block on the ground that he quickly throws at Statuette. It hits her, temporarily dazing her so the two get neck in neck. Vasey is standing on the mat, waiting for a winner to be crowned.

Vasey: AND. THE WINNER. OF CLASH TO BE CHAMPION SEASON 2...

Still building suspense. We show all the contestants, even the helpers who are fighting. Fireball and Statuette jump while they're running.

Vasey: IS...

The camera zooms into both of them. We see Fireball's foot on the mat first before both of them stumble forward onto the mat.

Vasey: FIREBALL!!!!

Fireball: I...won? I WON! YES! I DID IT! I DID IT!!

Pound rushes up to him and hugs him.

Pound: YOU WON! Oh my god, I'm so proud of you! You did AMAZING!!

Fireball: I mean, yeah, I just still can't believe- I mean, I wasn't even that-

Pound shuts him up with a kiss and he eventually returns it. The contestants are cheering. Speaker, Corky, Jester Hat and Glitchy come back- Jester Hat and Corky cheer while Glitchy and Speaker look disappointed.

Jester Hat: He did it, Corky, he did it! Fireball won for our alliance!!!

Jester Hat picks up Corky and spins her around happily.

Corky: Yay!!!!

Caramel Apple rushes up to Fireball.

Caramel Apple: PAWS OFF. THIS IS MY ALLIANCE MEMBER, BUB! YAY FOR FIREBALL!!

Mirror joins in behind him

Mirror: OUR alliance member.

Caramel Apple Smiles. However, it drops once he sees Statuette looking upset on the ground.

Scene 19:

Statuette is on the ground looking upset. However, Caramel Apple walks over to her.

Caramel Apple: (Fake sports announcer type voice) THIS JUST IN LADIES AND GENTS OUR 2ND PLACER STATUETTE!!
WOOOOOH!!!

Statuette: (Wipes her tear) ha ha very funny.

Caramel Apple: What's the matter?

Statuette: You should know what the matter is! I'm just... disappointed in myself. I know I have the money and all, but I thought I could've actually won... I was super close too. *She wipes away a tear.* Eh, it's fine, I'll get over it eventually.

Caramel Apple: Well, you still did awesome! Second place is GREAT!! Don't be so sad...

Statuette: I just feel like I let my parents down... I got so far for them. And after getting so close. I lost at the last part. Aren't they gonna be disappointed?

Caramel Apple: I mean, they'll still probably get the brand deal because you got second, so... that's good! And if your parents don't see how good you did, then that's on them.

Statuette feels a hand on her shoulder. When she looks, it's revealed to be Incense.

Incense: You're allowed to be upset, Statuette. However, please don't be so hard on yourself. You're a strong competitor and you've beaten many other competitors. Just know that you're powerful, Statuette. Never let anyone say otherwise.

Statuette looks at her for a moment, then smiles. She wipes away her tears and gets up.

Statuette: I suppose you two are right... No use in letting my sorrows get to me. Come on, let's go.

Caramel Apple: Yeah! I'm really looking forward to the afterparty. Do you think they'll have snacks? I'm REALLY hoping they do. I'm HUNGRY!

Statuette: I hope they do. What's a good party without food?

Scene 20:

Cuts to everyone inside the hotel having a party and a little montage of everyone. Lines will play out and probably overlap

We See Pineapple hanging out with Apple Fritter and Chip Stack.

Pineapple: And then I was like, woah, a talking horse?

Chip Stack and Apple Fritter: *laugh*

Beer keg and Glitchy giving each other glares.

Beer Keg: Don't talk to me.

Glitchy: Wasn't going to...

Sleep Mask is dozing off in the corner while Incense watches over her holding a drink.

Princess Hat Tries talking to Boulder and Notices Tape Measure looking at her and looks away.

Princess Hat: So, Boulder...

Tape Measure: Um-

Princess Hat: Yeah?

Tape Measure: ...Never mind.

Fireball, Pound, Yearbook and Mirror can all be seen talking while holding drinks.

Yearbook: And you know, I wasn't really expecting to see my elimination live on-screen. The cameras really used the wrong angle for me...

Pound: To be fair, I don't think you can look good at any angle when you're falling down a building.

Mirror: You totally can! It just takes an expert to do so.

Speaker and Statuette are talking on the couch and it looks like they're catching up.

Statuette: A truce, huh? Cool. Glad to see you guys finally agreeing on something for once.

Speaker: Don't expect it to happen again.

Service Bell walks over to them and gives them both a drink and sits down with them.

Service Bell: Hey. Got you two something.

Corky, Caramel Apple and Jester Hat are seen dancing together doing funny dance moves.

Caramel Apple: Hoho! Think you can dance better than me, clown boy?

Jester Hat: Absolutely! Dance battle time!

We See Vasey Smile and she leaves the hotel. She stands on the streets at night. She gets a phone call and picks it up.

Vasey: Hello?

Vasey: Oh. why. Thank you! I've spent a lot of time on this show and it's so nice to see that you've been enjoying it so far... Hm? You want to talk about something...? A deal... Really??? HOW MUCH MONEY??? ... OK! Wow. Oh my god, I... I can't believe this. You'd really...? ... Oh my god. Thank you! So, so much. Yes sir, you got a deal. ... Okay, I'll see you then. Bye!

Vasey puts her phone down and looks up and smiles. She has happy tears in her eyes and looks out at the night sky.

Vasey: Heh. looks like we're not done yet..

She goes back into the hotel

Scene 21:

Vasey: Hey Everyone! Sorry can we just turn this music off for a quick second.

The lights go back to normal and the music stops

Caramel Apple: NOOO THE PARTY!! ITS OVER!!!

Vasey: Nonono the party isn't over i just had to make a quick announcement!

Everyone looks at her

Vasey: Fireball. If you may. Please stand beside me*

Fireball: Uh. ok?

Fireball walks over

Vasey: Fireball. Congratulations on winning Clash To Be Champion. Even though this may be season 2. I am proud to call you the first winner. And it's time to give you your prize.

Vasey Grabs The Prize

Vasey: Here you are. 2 million dollars. In cold, hard cash.
(Cheers from everyone)

Fireball: No way... is this real?? I genuinely thought the prize was gonna be some island or something that gets stolen in the finale.

Vasey: Don't worry. This bad boy was with me all season. *No one* was getting their hands on it.

Statuette still on the couch looking sad

Vasey: Statuette, please also come up.

Statuette gets off the couch and stands on vasey's other side

Vasey: For you, Statuette... I'm giving you \$50,000 as a reward for getting second! Congratulations!

Statuette: What??? Really??? I- Thank you so much!

Vasey: You're welcome! I'm surprised we didn't have to spend it all given the state of this show's budget... but nonetheless, I'm very proud of you.

Fireball and Statuette both take their briefcases

Vasey: And let's just say.. This isn't the last you'll see of me. You see, I was on the phone with a network executive... and guess what?? WE'RE GETTING A SEASON 3!!

Speaker: WHAT?

Service Bell: YES!

Sleep Mask: Oh god no please just let me sleep and relax in peaaaceeee...

Incense: Sleep Mask!

Sleep mask: What? It's the truth.

Scene 22:

Vasey: Welp. That's that everyone. Thank you all soso much for watching season 2 of Clash to be champion. I hope you enjoyed and I can't wait to see you guys NEXT SEASON!

Gasps from everyone, but this slowly evolves into cheers and smiles.
